

book shelfie

Track your reading. Record the titles of the books you complete this summer.

The graphic organizer consists of three rows of bookshelves. Each row is a rectangular frame containing several book outlines and a shelf. The shelves are represented by four horizontal lines, providing space to write the titles of books read during the summer.

- Row 1:** On the left, a stack of four books is shown. The top book is tilted. To the right of this stack is a shelf with four horizontal lines. Further right, another stack of three books is shown, with the top book tilted.
- Row 2:** On the left, a stack of three books is shown. The top book is tilted. To the right of this stack is a shelf with four horizontal lines. Further right, another stack of three books is shown, with the top book tilted.
- Row 3:** On the left, a stack of four books is shown. The top book is tilted. To the right of this stack is a shelf with four horizontal lines. Further right, another stack of three books is shown, with the top book tilted.
