

# book shelfie

Track your reading. Record the titles of the books you complete this summer.

The graphic organizer consists of three rows of bookshelves. Each row contains several bookshelves of varying heights and orientations. Each bookshelf is represented by a vertical rectangle with horizontal lines inside, indicating shelves. The books are represented by tilted rectangles. The top row has two long horizontal shelves above the bookshelves. The second row has a stack of four horizontal shelves in the middle. The third row has a stack of four horizontal shelves on the right. The bottom row has a stack of four horizontal shelves on the left and a stack of four vertical shelves on the right.
